Notice of Openings on the Social Service Transportation Advisory Council

Application deadline: 5:00 PM, Friday, January 5, 2018

The Trinity County Transportation Commission (TCTC) is seeking nominations for the Social Services Transportation Advisory Council (SSTAC). Vacancies include:

“One representative of potential transit users who are handicapped”

Criteria: You must be a potential transit user who “is unable, without special facilities or special planning or design, to utilize public transportation facilities and services as effectively as a person who is not so affected.”

“One representative of social service provider for disabled”

Criteria: You must be a representative of a social service agency that provides services to the disabled. A preferable candidate would be from an agency that provides “transportation services” for the disabled.

The purpose of the SSTAC is to solicit the input of transit dependent and transit disadvantaged persons, including the elderly, handicapped, low income persons, and youths regarding transit needs in Trinity County. The SSTAC is convened annually, at minimum, for the Unmet Transit Needs process as required by the Transportation Development Act. Members serve a three (3) year term.

Please submit a letter explaining your interest in transit services and any background that may assist the Commission in making its decision.
